NCPs and RICH support services

The 4-year RICH Project (no. 646713) is supported by DG Research and Innovation of the European Commission under the Research Infrastructures Programme of the H2020 Framework Programme.

Specific challenge

Facilitate trans-national co-operation between NCPs for research infrastructures with a view to identifying and sharing good practices and raising the general standard of support to programme applicants, taking into account the diversity of actors that make up the constituency of the Research Infrastructures Part.

Scope

- Promotion of trans-national and virtual access,
- Synergies with other NCPs networks,
- Cooperation with other policy and international cooperation oriented measures for research infrastructures
- Build on the past experience and achievements gained in EuroRis-Net+ project.

Duration 4 years: 01.12.2015 - 30.11.2019

Our network

Currently 53 persons from 38 countries are active in the network
